Notes from David

It's that time of year that we pause to give thanks. I am thankful for the privilege of serving you as your minister of music. May you enjoy wonderful times with your family and friends this month.

You probably have already seen the announcement at the top. And yes, I think we can have 70 at rehearsal on November 2 and in the choir on November 6. You will have to fill you spot to make this happen. We are singing a wonderful worship song called *All to Us*.

You also will notice we are only singing 2 specials in November. Except for November 2, our November rehearsal will be in preparation for a **BIG DECEMBER CHRISTMAS!**
